

CLASS A PLANTS

Scientific Name

Common Name

AMMANIA senegalensis	apple plant, red ammania
AZOLACEAE: caroliniana, filiculoides, nilocita, pinnata	fairy moss, lesser fairy moss
CERATOPHYLLUM: demersum, submersum	hornwort ,coontail
CERATOPTERIS cornuta, pteroides ,siliquosa, thalictroides	floating fern, floating watersprite, watersprite, Indian fern
CRASSULA: aquatica, helmsii	none given
EGERIA densa	anarcharis, water weed, Brazilian elodea
ELODEA: canadensis,nuttalli	Canadian water-pond weed, water pest, ditch moss, oxygen plant
HIPPURUS vulgaris	mares tail
HYGROPHILA: corymbosa, difformis, polysperma lacustris, lancea	wisteria, dwarf hygro-waterstar- green hygro
LEMNA: minor,trisulca	duckweed, ivy leaf duckweed-chain of stars
PROSPERPINACA palustris	mermaid weed
RICCIA fluitans	crystalwort
SAGGITARIA cuneata,	arrowhead
SALVINIA: auriculata, minima	butterfly fern,hairy duckweed
SPIRODELA polyrhiza	giant duckweed
SUBULARIA aquatica	awlwort
SYNNEMA triflorum	wisteria
VALISNERIA: americana, asiatica, gigantea, spiralis, tortifolia	tape grass-eelgrass-Italian val, super val, giant val - jungle val, common eel grass corkscrew or twisted val
VESICULARIA dubyana	Java moss
WOLFFIA arrhiza	rootless duckweed, water meal

CLASS B PLANTS

SCIENTIFIC NAME

COMMON NAME

ALTERNANTHERA: philoeroides, reinerckii, roseafolia, sessilis, species, violette	alligator weed-green lead plant,small parrot leaf red hygro, red ivy-joy weed,green or copper hedge violet ivy
AMBULIA species see LIMNOPHILA (same)	
BACOPA: amplexicaulis,monniera, variegatus	giant bacopa,small bacopa or water hyssop or moneywort yellow bacopa
BRASNERIA schreberi	water shield
CABOMBA: aquatica,australis,caroliniana, piauhensis, pulcherrima	yellow or green cabomba,fanwort,Carolina water shield red cabomba, purple cabomba
CARDAMINE: lyrata,properens,rotundifolia,variabilis	bitter cress, Japanese cress, Chinese ivy
CRINUM thaianum	Indomalayan water onion
ECHINODORUS:acicularis,tenellus	alender spike rush,dwarf needle or haigrass
FONTINALIS antipyretica	fountain or willow moss
HETERANTHERA: reinformis, zosterifolia	none given,water star grass
HYDROCHARIS morsusranae	frogbit
HYDROCLEYS nymphooides	water poppy
HYDROCOTYLE: leucopetala,vulgaris	Brazilian pennywort, pennywort or umbrella plant
IRIS: pseudacorus,sibirica	yellow flag iris ,Siberian iris
LIGULARIA stenocephala	ragwort
LILAEOPSIS navazelandiae	none given
LIMNOBIUM laevigatum	Amazon frogbit
LIMNOPHILA aquatica	giant ambula
LOBELIA: cardinalis,splendens	cardinal flower, none given
LUDWIGIA: arcuata,brevipes,mullertii	none given,none given,red ludwigia
LYSIMACHIA nummularia	creeping Jenny, loosestrife
MECONOPSIS baileyi	Himalayan poppy
MIMULUS guttarus	yellow monkey flower
MYSOTIS scorp	water forget me not
MYRIOPHYLLUM: aquaticum or brasiliensis,heterphyllum, Hippuroides,spicatum	water milfoil, foxtail brown water milfoil, Eurasian water milfoil
MYRIOPHYLLUM ussuriense	none given
NAJAS species	none given
NELUMBO: lutea, nucifera	American lotus, Indian lotus
NITELLA zosterak	stonewort
NOMAPHILA: augustifolia,stricta	Thailand stricta temple plant,giant water star, giant green hygro
NYMPHOIDES aquatica indica	banna plant,water snowflake
PONAMOGETON: gayi,malainus	none given
ROOTALA: indica,macracantha,rotundifolia,wallachii	pink leaf rotala ,none given, grape plant, none given
SAMOLUS: parvifloris, valerandii	water cabbage or green water rose,water pimpernel
SAURURUS cernuus	lizard's tail
STRATIOTES aloides	water aloe, soldier plant
TELANTHERA lilacina	red telanthera
THALIA species	swamp dock
TYPHA latifolia	common broad leaf cattail
UTRICULARIA: exoleta, vulgaris	dwarf bladderwort, common bladderwort

CLASS C PLANTS

SCIENTIFIC NAME

COMMON NAME

ACORUS: calamus, gramineus, pusillus variegatus	sweet sedge or sweet flag or sword leaf acorus striped Japanese rush, red or real form Japanese dwarf rush, yellow striped acorus Malayan sword
AGLAONEMA simplex	
APONOGETEN: all species except those Listed in Class D	
BOLBITIS heterocclita	none given
CRYPTOCORYNE species	
CYPERUS papyrus	papyrus
ECHINODORUS speices	Amazon swords
EICHHORNIA: azurea, crassipes	blue water hyacinth, water hyacinth, devil's lilac spade leaf
GYMNOCORONIS spilanthoides	spade leaf
HOTTONIA: inflata, palustris	tropical water violet, water violet
ISOETES: echinosperma, lacustris	none given
MARSELIA: brownii, crenata, quadrifolia	none given, dwarf 4 leaf water clover, 4 leaf water clover
MICROSORIUM pteropus	java fern
Nasturium officinale	watercress
NYNPHAEA: masaniello, tetragona, Rose Arey	pink water lily, small yellow water lily hardy water lily
OPHIPOGON japonicus	fountain plant
PISTIA stratiotes	water lettuce
RORIPPA aqiatoca	watercress
TRAPA natans	water chestnut
